Worshipful Master,

I hope this letter finds you well and you are enjoying your year so far. I am contacting you regarding the upcoming Masonic Development (MDC) classes. Registration is open now and will close on **February 5th**. Attached please find the application and schedule for the MDC to share with your Lodge. **Please notice that the dates and site have changed from the District Trestle Board for the weekday classes due to conflicts with changes in the DDGM Official Visits.**

The purpose of this course is to review the three degrees of masonry which we have all completed and to look further into what they are intended to teach us and reflect on what each means to the individual. Please assist me in informing the Brethren of your Lodge and encourage all Master Masons to sign up as soon as possible.

All though this course is most often thought of as a course for new Master Masons, all Master Masons are encouraged to enlist. Often a man who has traveled further on the road of masonry can give insight from a different perspective that will invigorate the new Mason to strive harder to improve himself.

The cost of this course will be \$35.00, which will cover all supplies, certificate, pin, and a graduation dinner to be held in the spring. Brothers who are interested should send their completed application along with a check payable to Matthew Dinizio as soon as possible. This is needed to give enough time to acquire all the necessary materials.

Please read this communication at your next meeting and, if possible, mention it in the next lodge communication. If you have any questions, please do not hesitate to contact me.

Sincerely and Fraternaly,

R.: W.: Matthew Dinizio
Grand Steward
