August 20, 2022

Dear Brethren,

I hope this correspondence finds you and your families all doing good and well rested after a beautiful summer.

As Grand Lodge Staff officer, it is my responsibility to see that the Suffolk Masonic District continues to grow through Education and Leadership. To attain this goal, The Masonic Development Course is scheduled first this year and focuses on the first, second and third degrees. Although it was designed for newly raised brothers it is a great course for our more senior members to brush up on the degrees and participate in our discussions. The dates are listed below. I've scheduled a night class as well as a class on Saturdays for your convenience. The cost of this class is \$30.00 and will cover the cost for the thumb drives and Certificate of Completion. If you have any questions, please contact me @ 516-398-3577, or email me. You can make checks out to Robert Licata and mail to 419 Clubhouse Court, Coram NY 11727

I am requesting that anyone attending please respond to glso@suffolkmasons.com and let me know if you will be attending.

MASONIC DEVELOPMENT COURSE
