Dear Brother

I would like to wish you all a very Happy and Healthy New Year. As your Suffolk Masonic District Team gears up for 2023, our first Road to the East classes will be starting on March 1st. Below are the dates, times, and locations. The RTE will be offered at night as well as on a Saturday for your convenience. The class on Wednesday will be repeated the following Saturday in case you miss Wednesday. You must complete Four classes to become certified. This class is primarily offered to those Master Masons that wish to go to the East. All Master Masons are welcome to attend since this class will review the qualifications, duties, and responsibilities of the Worshipful Master of a Lodge. Classes will be given by your District team as well as additional brothers with expertise in the various topics taught in the RTE. This is an excellent program which will explain the relationship between the WM, his Lodge and Grand Lodge.

The Leadership and Education program from Grand Lodge has expanded its participation and will provide us with the Certificates of Completion for those completing the course as well as the RTE pins at no cost to participants. The cost for this class is down from Seventy dollars (\$70.00) in previous years to Fifty dollars (\$50.00) this year. The cost of this class will provide all participants with a USB Flash drive with the RTE Power Point presentation as well as numerous other additional information. Your payment will cover additional material needed for the class. You can register online by filling out the registration form and forwarding it to my email address listed above. You can mail your payment to: Robert Licata 419 Clubhouse Court, Coram NY 11727 or pay at the class.
